Starbreeze announces PAYDAY 2 collaboration with SpeedRunners developers tinyBuild GAMES and DoubleDutch Games

Starbreeze AB, one of Sweden's leading independent game developers, today announced a collaboration with developers tinyBuild GAMES and DoubleDutch Games for PAYDAY 2 and SpeedRunners as a part of the Spring Break event. The collaboration consists of two free updates – one for each game respectively. The content will be available on Steam March 20th and onwards. The two updates, called “SpeedRunners Mask Pack” for PAYDAY 2 and the “PAYDAY Character Pack” for SpeedRunners include the following:

SpeedRunners Mask Pack

- Available when a player buys the standard edition of SpeedRunners
- Introduces four new SpeedRunners masks in PAYDAY 2

PAYDAY Character Pack

- Available as a part of the standard edition of SpeedRunners
- Introduces four new playable PAYDAY characters in SpeedRunners
- Characters are unlocked as secrets in the game

“We love collaborations at tinyBuild, in fact SpeedRunners itself is a collaboration between us and DoubleDutch Games! Seeing our characters as masks in PAYDAY 2, and putting their iconic characters into SpeedRunners... Well, that's about as awesome as it gets.” says Alex Nichiporchik, CEO, tinyBuild GAMES

“As a bonus to the Spring Break event, we made this collaboration happen with our friends over at tinyBuild and DoubleDutch Games. SpeedRunners and PAYDAY 2 have much in common as intense multiplayer games. For the first time ever, our PAYDAY characters also make the jump to another game. Making this happen was a no-brainer and a perfect fit!” says Almir Listo, Global Brand Director, Starbreeze AB
